ATTENTION PATRONS:

Effective June 30, 2015:
the Oglesby Public Library District will be instating a new policy for fines.

Checking Out Materials

This policy will will remain unchanged and a patron must keep their fines under $5.00 to be able to check out any type of materials from the library. Patrons with fines amounting to $5.00 or more must pay down their fines to be permitted to check out materials.

Computer Usage

There will now be a zero-tolerance policy for fines in regards to computer use. A patron wishing to use the computer must present a library card from the Oglesby Library or any surrounding area libraries to gain access to the computers. If there is a fine on the account, it must be paid before access to the computer is allowed.

If you live in the area and do not have a library card, you may show a valid photo ID to gain access to the computers. Please note that the staff will check the system for any fines that may be associated with your name.

Travelers or visitors from outside of the area may show a valid photo ID to gain access to the computers.
